PREMIUM Engineering

SELF-DETECT™ TECHNOLOGY

Vitamix Ascent Series blenders will recognise the containers as they're placed on the motor base and automatically adjust blend settings for their smaller size

DISHWASHER-SAFE

1.4 Litre container with interlock lid is made of BPA-free Eastman Tritan™. The container and lid are both dishwasher-safe (top or bottom rack)

LASER-CUT BLADES

Made of hardened stainless steel to deliver the same quality blends for years to come

3-YEAR WARRANTY

We stand behind the quality of our machines with full warranties, covering all parts, performance, labour, and two-way shipping

Compatible with Vitamix® Ascent® and Venturist® blenders.

Engineered for **WHOLE GRAINS**

1.4-LITRE DRY GRAINS CONTAINER

Specially designed blades grind whole grains into fresh flours, mix batter, and simulate the kneading process to easily prepare dough for baking

MEASUREMENTS ON CONTAINER

Every Vitamix container is clearly marked with ounce and cup measurements. Even the lid plug has a 30ml measurement line

SPILL-PROOF SPOUT

The angle of our spill-proof container spout lets you serve blends with a mess-free pour

EASY CLEANING

With a drop of dish soap and warm water, your Vitamix machine can clean itself in 30 to 60 seconds
